

The Lejweleputswa District Municipality in partnership with Old Mutual will be celebrating Mandela Day at Bongani Regional Hospital. The event will include cleaning and handing over of blankets. The Executive Mayor, Cllr Sebenzile Ngangelizwe cordially invites all Lejweleputswa citizens to participate in celebrating the life and times of the icon of the struggle. The event is scheduled to start at 08h30, Bongani Hospital.

The initial strategy of Mandela Day Celebration was only to ask people to give 67 minutes of their time on 18 July 2019 to do good. It became clear that South Africa and the world need far greater intervention for truly sustainable impact.

The new approach is focused on effective, sustainable, collaborative interventions. Working together in a global network of partnerships we can connect the needs with the resources and have far greater impact than 67 minutes from individuals
